

YEARBOOK CONTEST

Yearbooks are not judged by size of club or community. The committee has made an effort to list definite features for evaluation. The point scale is subject to change without due notice. If clubs choose to print yearbooks for a two-year administration to save printing, they may do so, submitting the book annually for judging — loose leaf acceptable.

FORMAT	TOTAL POINTS
1. Artistic appearance (beauty, neatness, durability)	10

TOTAL 60 POINTS FOR PROGRAM

Entry must reach the District Yearbook Chairman not less than ten days before the District Convention. District Chairmen will obtain impartial judges and will provide a judgment summary sheet. First, second, and third places will be awarded at District Convention. District Chairman will mail district first place winner to the State Yearbook Chairman immediately after District Convention. State Chairman will obtain impartial judges. Ribbons and certificates will be awarded for first, second, and third places at State Convention.
